CCG Ghoul Investigators

Tokyo Ghoul:re

The CCG is the only organization in the world that investigates and solves Ghoul-related crimes. Founded by the Washu Family, the CCG developed and evolved Quinques, a type of weapon derived from Ghouls' Kagune. Quinx, an advanced, next-generation technology where humans are implanted with Quinques, is currently under development.

Mado Squad

Qs (Quinx) — Investigators implanted with Quinques. They all live together in a house called the Chateau along with Investigator Sasaki.

Ken Kaneki 金木 研

Previously known as Haise Sasaki, a CCG investigator and the Qs mentor. A half-Ghoul who succeeded Kisho Arima as the One-Eyed King.

Kuki Urie 瓜江久生

Rank 1 Investigator

Quinx Squad leader and its most talented fighter. His father was killed by a Ghoul and Urie seeks vengeance. He has demonstrated leadership since Shirazu's death.

Saiko Yonebayashi 米林才子

Rank 2 Investigator

Supporting Urie as deputy squad leader while playing with her subordinates. Very bad at time management and a sucker for games and snacks.

Toma Higemaru 髭丸トウマ

Rank 3 Investigator

Discovered his Quinx aptitude before enrolling in the academy. Looks up to Urie. Comes from a wealthy family.

Ching-li Hsiao 小静麗

Rank 1 Investigator

From Hakubi Garden, like Hairu Ihei. Skilled in hand-to-hand combat. Came to Japan from Taiwan as a child.

Kori Ui 宇井 郡

Special Investitgator

Became a special investigator at a young age, but has a stubborn side. Formerly with the Arima Squad.

Juzo Suzuya 鈴屋什造

Special Investigator

Promoted to Special Investigator at 22, a feat previously only accomplished by Kisho Arima. A maverick who fights with knives hidden in his prosthetic leg.

Toru Mutsuki 六月 透

Rank 1 Investigator

Become an investigator after his parents were killed by a Ghoul. Assigned female at birth, he transitioned after undergoing the Quinx procedure. Struggling with the lie he has been living with...

Akira Mado 真戸 暁

Assistant Special Investigator

Mentor to Haise. Takes after her father. Determined to eradicate Ghouls. Investigating the Aogiri Tree. Concerned about Fueguchi.

Shinsanpei Aura 安浦晋三平

Rank 2 Investigator

Nephew of Special Investigator Kiyoko Aura. Unlike his aunt, who graduated at the top of her class, his grades were not that great.

Matsuri Washu 和修 政

Special Investigator

Yoshitoki's son. A Washu Supremacist. He is still skeptical of Quinxes. Deputy commander of the Rushima Operation.

Kisho Arima 有馬貴将

Special Investigator

An undefeated investigator respected by many at the CCG. Killed at Cochlea by the One-Eyed King.

Nimura Furuta 旧多二福

Rank 1 Investigator

Former subordinate of the late Shiki Kijima. Has many secrets.

Ghouls

They appear human, but have a unique predation organ called Kagune and can only survive by feeding on human flesh. They are the nemesis of humanity. Besides human flesh, the only other thing they can ingest is coffee. Ghouls can only be wounded by a Kagune or a Quinque made from a Kagune. One of the most prominent Ghoul factions is the Aogiri Tree, a hostile organization that is increasing its strength.

The Aogiri Tree

Eto/Sen Takatsuki
エト／高槻泉

Founder of the Aogiri Tree. Also a remarkable author with many fans. Revealed herself as a Ghoul after announcing her final novel.

Tatara
タタラ

A leading member of the Aogiri Tree. Related to the former head of the Chì shé lián. A Chinese Ghoul.

Ayato
アヤト

A leading member of the Aogiri Tree. A Rate SS Ghoul known as the Rabbit.

Naki
ナキ

Member of the Aogiri Tree. Current leader of the White Suits. A Rate S, but frequently loses control.

Shosei
承正

Member of the Aogiri Tree and the White Suits. Joined after being beaten by Naki during Jason's leadership.

Hohguro
ホオグロ

Member of the Aogiri Tree and the White Suits. Joined after tying Shosei.

Shikorae
死堪

Member of the Aogiri Tree. Was detained in Cochlea, but escaped after the Aogiri assault on the complex.

The Grave Robber
墓盗り

Member of the Aogiri Tree. Protégé of the Bin Brothers. Somehow has experience using a Quinque.

Miza
ミザ

Member of the Aogiri Tree. Controlled the 18th Ward as the head of the Blades. A.K.A. Triple Blade.

The Owl
オウル

The current incarnation of Ghoul Investigator Seido Takizawa. Overwhelmingly powerful.

Professor Kano
嘉納明博

Medical examiner for the Aogiri Tree. Researching how to create artificial half-Ghouls.

Kuro
クロ

Underwent Kano's Ghoulification procedure, like Ken Kaneki. Absorbed her twin sister Shirona into her body.

So far in : re

The CCG, determined to bring down the Aogiri Tree, discovers their stronghold on Rushima Island and begins an investigation. Meanwhile, Sen Takatsuki reveals herself as a Ghoul after releasing her final novel, *King Bileygr*. The myth of the One-Eyed King has created a deep divide between humans, Ghouls and the CCG. Haise, assigned to defend Cochlea, attempts to free Hinami but is stopped by Arima. After fighting Arima to the death as Ken Kaneki, he ascends the throne as the One-Eyed King. At the same time, the situation on Rushima Island continues to unravel...

"Welcome!"

Main character

I often draw his eye patch on the wrong side.
(I made a mistake in the 100th chapter stickers.)
Mutsuki may have something to do with it.

"Yo."

Hide

I think Kaneki would be even more miserable if Hide wasn't around.

"Take a break."

Mr. Yoshimura

I got to practice drawing wrinkles thanks to Mr. Yoshimura.

"I cleaned up."

Koma

I came up with the sequence where he fights as Devil Ape in volume 13 soon after his character was created.

"Want one?"

Uta

He has a lot of hobbies incorporated into him.

"Eat."

Yoriko

I think Touka liked going to school because of Yoriko. Revealed in the novel that her last name is Kosaka.

"Aw!"

Ryoko

A character name that screams "scheduled to be killed" even now.

"A date?"

Kimi

A strange character whose face ends up looking like other female characters if I don't concentrate.

"Ku ku ku..."

Mado

The basis of investigator characters. I like him.

"Yes! Yes!"

Sota

I obsessed over his hairstyle.

*100 icon stickers were included in the *Weekly Young Jump* issue in which the 100th chapter of *Tokyo Ghoul :re* appeared.

"Huh?"

Touka

I love this haircut on women. Although I've rarely seen anybody with it.

"Heh."

Rize

Whenever I'm asked "Who's your favorite female Ghoul?" I always answer "Rize."

"..."

Yomo

A versatile character.

"Oh?"

Irimi

I like her sarcasm.

"Drink up."

Itori

She has a mole on her left breast.

"Okay."

Hinami

Lolita.

"Asshole!"

Nishio

There's a story behind the creation of Nishiki. Hope I can tell it someday.

"Ghoul!"

Kotaro Amon

I used to call him Taro Komon (Anal Taro). But I put him on a cover so I hope he forgives me.

"Hmm..."

Shu

First appeared with Chie Hori ten or so years ago in a piece I submitted to a contest. His bangs keep getting longer.

"Ho ho ho!"

Madame A

I think she's doing fine.

Taro

Huge.
I think he's three meters tall.

"What d'you wanna do?"

Ichimi, Jiro, Sante

I'm sure you know, but Jiro's a woman.

"Huu huu..."

Hoji

You see characters like this in the Gundam series...

"Yes?"

Juzo

The term "body stitching" didn't come up on internet searches before I used it in the story. I think Tokyo Ghoul was the first time it was ever used.

Nico

I like the three brothers in Crayon Shin-chan.

"I like...!"

Tatara

I think his hairline got higher.

"?"

Noro

I knew there would be casualties in order to kill this character. That's why volume 5 ended up the way it did...

"Charge!"

Marude

I was into the Aibo series at the time. I think that influenced me.

"Mmm."

Iwaccho

He can fall off a roof and be fine.

"Stand by."

Arima

His setting is "main character/ aftermath."

"Let's go-"

Banjo

I call him Banjoi in my mind because of Tsukiyama.

"Uh-huh, uh-huh."

Shinohara

An import character from a *Tokyo Ghoul* prototype. He was initially supposed to be Kaneki's nemesis, but it didn't turn out that way in the story.

(Salute)

Takizawa

He was still in high spirits here. If he were a dog, he'd be a corgi.

"Let me take it!"

Yamori

I think there was a character like him in *Crayon Shin-chan*.

"You won't go anywhere with your wings."

Ayato

He looks like Touka, but it's easy to differentiate them when I draw them.

"Hmm."

Eto

Must get stuffy in there.

(Brothers)

Bin Brothers

Why are they Bin again...? I think I had a reason...

"I feel alive...!"

Mabuchi

I sometimes drool when I'm concentrating too.

"Hmph."

Misato Gori

My illustrator friend created this character.

"Roger that!"

Take

Did he look like an eggplant when he first appeared?

"What's 1,000 minus 7?"

Kaneki

He must've been in a bad place mentally.

"Beat him half to death."

Beat him half to death.

He didn't have to kill him.

"I order you!"

Tsuneyoshi Washu

Old man.

"I refuse."

Akira

I've always liked women with her personality. Although I wouldn't want to know her personally.

(Older sister Younger sister)

Shirokuro

The fact that they're twins is mystical.

(Tears)

Naki

I wanted to keep an adversary in a white suit.

"You damned fool!!"

"You damned fool!!"

I used the wrong character for "you" when making these stickers. I was the fool.

"How's it progressing?"

Shiono

My editor seemed to like him so it pained me to turn him into paté.

"Hm, boy."

Mougan

He adds depth to the frames. He can also make it stifling.

"Not present again?"

Aura Kiyoko

I was surprised when I calculated her age.

(Glow)

Arata

As a child. Doesn't really look like him. I think I wanted him to look like Kaneki.

"I appoint you!"

Yoshitoki Washu

I wanted him to have chiseled features and a beard.

"I see."

Donato

I had the same friend design him.

"I'll give you a prescription."

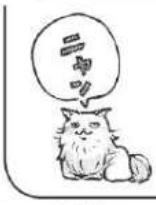
Kano

He made careless miscalculations before we edited the comics. He has a mischievous side to him.

(Kykrkl...)

Shachi

Kaneki punisher man.



"Meow"

Maris Stella

Her name means "star of the sea" or "Venus." JAXA has a Venus Climate Orbiter called "Akatsuki."

"The script? I haven't done it."

Sen Takatsuki

I'm sometimes asked if she's a reflection of myself as a writer, but I don't think she's anything like me.

" C'mon..."

Ui

He used to be cute.

"You seem busy..."

Warden Haisaki

Avant-garde haircut.

"Huh?"

Chu Hachikawa

Named after Hachiko the dog.

"Wow!!"

Kuramoto Ito

I had a strong desire to name him using two last names.

"Promotion, promotion."

Urie

I find myself cheering for him.

"What...?"

Mutsuki

One of the reasons I mess up eye patches.

"Welcome back!"

Touka

Wish she would go back to having black hair cuz it takes time drawing her now.

(worried)

Hinami

Just when I thought she was beginning to resemble her mother, she's looking more like Kimi. I'm in a bind.

"I'm pretty?"

Nutcracker

Cute.

"Yeah."

Takeomi Kuroiwa

I think he's a good kid.

"Really?"

Chie Hori

Like Tsukiyama, she's one of the oldest characters. She's an easy character to write because she doesn't lie.

"Don't call me a hag."

Miza

The oddest haircut in this distorted world.

"So..."

Hogi

Named for *hoki* ("broom").

"That's a direct order."

Haise Sasaki

Looking at him makes me think of all the things that life brings.

"Yo, yo!"

Shirazu

I dreamed about him when his final chapter was approaching. In my dream, while I was talking to Urie and the Qs, he was staring at me from a distance.

"Goodnight!"

Saiko

She was asleep the entire time in :re volume 1.

"Don't push yourself too hard."

Ayato

I'm glad he got taller.

"My lover!"

Torso

Towada said there are people like him around us, but I don't think so.

"Sigh..."

Shimoguchi

You're cute too.

"My pride...!"

Kanae

May be a companion character to Mutsuki.

"Early bird gets the word."

Naki

Naki, more than Yamori, seems to be developing the White Suits as an organization.

"Freshly picked!!"

Takizawa

I like his appearance. Like he could make an appearance in *Siren*.

Hanbeh Abara

Nakarai

Versatile character.

Big Madam

Huge breasts.

Hairu

Right.

Shinsanpei Aura

"Yes!"

Investigator Suzuya

Working hard.

"Time to go home!!"

Mizuro

I wonder what he tells his hairstylist. Like, "Can you make me look like the guy in 009?"

Mikage

I really don't think he cares about the world.

"NO SMOKING."

Fura

He's the same age as Arima, but he looks way older.

"I, Okahira, will take care of it..!"

Okahira

He'll take care of it.

"What's up with that?!"

Furuta

He's meant to resemble a certain character.

"Bro!"

Shosei

Hohgoro tore his ear off.

Hohguro

Actually quite tall.

"Stop it."

Grave Robber

A Bin Brothers protegee. Her name 墓盗 can be pronounced "bo toru." Bin=bottle.

"I knew it!"

Higemaru

Drummer bobo called the new Qs second gen. I like that.

"You're dead."

Hsiao

The Chinese cuss words she uses aren't really used in Taiwan, but I think she uses them in her own unique way... Although I'm not sure.

"I'm back!"

Kaneki

Administered Rc suppressant to calm subject when levels passed 10,000.

Ceased administration of all medications. A-Owl will be disposed of as a failure.

It's very unfortunate. Theoretically this subject could have become a Kakuja. If only we could have controlled his development.

RATED T+ OLDER TEEN

TOKYO GHOUL

The Commission of Counter Ghoul is the only organization in the world fighting the Ghoul menace, and it will use every tool at its disposal to protect humanity from the ultimate predator. Its newest weapon in this hidden war is an experimental procedure that implants human agents with a Kagune—the Ghoul organ of predation—giving them Ghoul powers and abilities. But both the procedure and the newly formed Qs Squad are untested. Will they become heroes... or monsters?

The Rushima Operation is reaching its sixth day, and both the CCG and the Ghouls are fighting at the edge of their limits. Under the extreme mental and physical stress, old allegiances loom large and both sides are finding they face tough choices on the battlefield. Whichever side wins, they've all lost too much...
